The enrolment for the even semester 2019-20 will be starting from 28.01.2020 and will continue till 05.02.2020.

1. **Regular Candidates**
   All the regular candidates data (for whom admit cards were issued as regular candidate in the last semester) has been uploaded in the respective semester as per course details. The students will have to confirm the enrolment in their respective login after selection of the elective papers, if any.

2. **Discontinued candidates (aspirant for regular enrolment)**
   All unsuccessful candidates of earlier semesters (Back Paper Candidates who had discontinued in even semester of any academic Year) can continue as the even semester regular candidate as per provisions of regulation.

3. **Regular/Discontinued Candidates with backlog paper(s)**
   The list of back log paper(s) would reflect automatically against the candidates in his login, however, any missing CA/Practical/Sessional marks will be collected by the University as per notification.
   The discontinued candidates who have backlog in even semester can apply to his concerned college with complete documents in support of their enrolment. The details will be uploaded by the college to the University portal for enrolment.

In all the cases students are encouraged to the provide/update valid credentials during enrolment.
